

<b>WEEK COMMENCING</b>	<b>26 OCTOBER 2015</b>
----------------------------	------------------------

**HOSPIRA NZ LTD PHARMACEUTICALS STOCK REPORT**

Dear Valued Customer

Please distribute this communication to all applicable departments and health professionals within your hospital/institution.

<b>STATUS</b>	<b>NUMBER</b>	<b>DESCRIPTION</b>
<b>UNAFFECTED</b>	83	Hospira has 83 pharmaceutical products available for sale without constraint. These are not listed here; however please do not hesitate to email: penny.patterson@hospira.com for a full product catalogue.
<b>RELEASED</b>	0	Product has been released for sale at HCL. All backorders are being expedited to wholesalers and customers.
<b>RESERVED</b>	1	Product has been placed on Reserve at HCL to prevent possible shortages and customer inequity. Hospira continues to work closely with wholesalers to release stock accordingly and maintain in-market supply. Please continue to purchase stock from your nominated wholesalers at this time.
<b>BACKORDER</b>	0	Product is on backorder at HCL with no emergency stock available at this time. Please contact your nominated wholesaler or distributor directly to confirm if they have available stock.

### **SHORT-DATED STOCK**

Below is a listing of expiry dates of currently held inventory with dating of less than 6 months. Our normal policy is to release product with earlier dating first. This information is provided to inform decisions around patient treatment regimens, or where stock is intended for use to replenish emergency trolleys where longer dating may be preferable. If longer dating stock is required please contact Hospira NZ on (04) 384-7463.
