Dear Pharmacist

URGENT MEDICINE RECALL
PHARMACY LEVEL

Product	Batch	Expiry	Pharmacode
Lycinate (glyceryl trinitrate)_Tablets 600mcg x100 bottle	CE390	Jun 17	2179946

Issue:

Pharmacy Retailing NZ Limited t/a Healthcare Logistics as New Zealand sponsor is recalling the above batch of Lycinate (glyceryl trinitrate) 600mcg tablets. This recall has been initiated because of reports received outside New Zealand that the round Lycinate tablets are taking longer than expected to dissolve and may be difficult to break in half.

The batch number is displayed on the edge of the bottle label.

The previous square-shaped formulation is not affected by this recall.

Actions:

- Please immediately inspect your stock, and quarantine all units from batch CE390 to prevent further use.
- Please return your affected stock to your supplier for lodgement of claim.
- Please complete the attached Stock Acknowledgement Form even if you no longer have any affected Lycinate tablets in your possession. Please return the Stock Acknowledgement Form to us either by free fax to 0508 982 520 or email to recall@healthcarelogistics.co.nz as soon as possible.
- If you have supplied or transferred any potentially affected product to another facility or organisation, please provide contact details of that organisation in the Stock Acknowledgement Form.
- Please retain this letter in a prominent position for one month.

Should you have any questions about this recall, please do not hesitate to contact us on the following details:

Phone: 09 969 0705
027 2863 898
Fax: 0508 982 520

Email: recall@healthcarelogistics.co.nz

This action has been carried out following consultation with Medsafe, Ministry of Health.

We regret any inconvenience this matter may have caused. We sincerely appreciate your cooperation and thank you for your assistance.

Yours sincerely,
