Pfizer New Zealand Limited

PFIZER NEW ZEALAND INVENTORY REPORT – 9 AUGUST 2019

Dear Valued Customer

Please distribute this communication to all applicable departments and health professionals within your hospital/ organisation.

STATUS	NUMBER	DESCRIPTION
UNAFFECTED	194	Pfizer has 194 pharmaceutical product SKU's available for sale without constraint.
RESERVED	13	Product SKUs have been placed on reserve to prevent possible shortages and customer inequity. Pfizer continues to work closely with wholesalers to release stock accordingly and maintain in-market supply.
BACKORDER	8	Product SKUs are on backorder with no emergency stock available at this time. Please contact your nominated wholesaler or distributor directly to confirm if they have available stock.
